

Hungarian participants in EASAC

Participants nominated by MTA	Institution	Role/Activity in EASAC
Víz, E. Szilveszter	MTA	Council (2004-2008)
Pálinkás, József	MTA	Council (2008-2017), Vice-president (2010-2016)
Tulassay, Tivadar	Semmelweis University	Council (2017-2020)
Kosztolányi, György	MTA	Council (2020-)
Nagy, Béla	MTA Veterinary Medical Research Institute*	participated in drafting 4 reports between 2005 and 2008, e.g.: Antibiotics resistance, Zoonosis)
Pósfai, György	MTA Biological Research Centre, Szeged	Biosciences Steering Panel (2011-2016)
Sperlágh, Beáta	MTA, then HUN-REN Institute of Experimental Medicine (KOKI)	Biosciences Steering Panel (2016-)
Bársony, István	MTA Research Institute for Technical Physics and Materials Science	Energy: Concentrating Solar Power Working Group (2011-2012)
Veisz, Ottó	MTA Centre for Agricultural Research	Environment: Adaptation to Extreme Weather Working Group (2011-2015)
Horváth, Ákos	MTA KFKI Atomic Energy Research Institute	Energy Steering Panel (2011); Energy: Breakthroughs in low carbon energy working group (2012 -2015)
Kégler, Ádám	MTA Secretariat, Division of International Relations	„Strengthening the Dialogue between Science and Policy” project (2011-2012)
Báldi, András	MTA-ELTE-MTM Ecology Research Group	Environment: Sustainable Biofuels Working Group (2011-2014)
Báldi, András	MTA, then HUN-REN Centre for Ecological Research	Environment Steering Panel (2015-), Chair (2025), Co-Chair (2025-present)
Balázs, Ervin	MTA Centre for Agricultural Research	Biosciences: Genetics of sustainable intensification of crop production in Europe Working Group (2012-2015)
Balázs, Ervin	MTA Centre for Agricultural Research	Biosciences: Planting the Future Working Group (2012-2014)
Kovács-Hostyánszki, Anikó	MTA Centre for Ecological Research	“Ecosystem services, agriculture and pollinators” Working Group (2014-2015)
Samu, Ferenc	MTA Centre for Agricultural Research	“Ecosystem services, agriculture and pollinators” Working Group (2014-2015)
Aszalós, Réka	MTA Centre for Ecological Research	Environment: Forestry Programme (2015-2016)

Popp, József	University of Debrecen	Biosciences: Food and nutrition security and agriculture Working Group (2016)
Hornung, Erzsébet	Szent István University, Faculty of Veterinary Medicine	Soils At Risk Working Group (2016-2018)
Vécsei, László	University of Szeged	Working Group on Homeopathy (2016-2017)
Tompos, András	HUN-REN Research Centre for Natural Sciences	Energy Steering Panel (2020-2025)
Hartmann, Bálint	HUN-REN Centre for Energy Research	Energy Steering Panel (2025-); Working Group on Security of Sustainable Energy Supplies (2023-June 2025)
Imre, Attila R.	HUN-REN Centre for Energy Research	Energy: Working Group on Security of Sustainable Energy Supplies (2023-June 2025)
Valkó, Orsolya	HUN-REN Centre for Ecological Research	Environment: Working Group on Regenerative Agriculture (2021-February 2023), Working Group on Changing Wildfires (2023-May 2025)
Kertész, Miklós	HUN-REN Centre for Ecological Research	Environment: reviewer of the EASAC Report on Changing Wildfires (2024 July-December)
Divéki, Zoltán	HUN-REN Centre for Agricultural Research	Biosciences: Working Group on Meat Alternatives (January 2022-December 2024)
Gócza, Elen	Hungarian University of Agriculture and Life Sciences (MATE), Institute of Genetics and Biotechnology (GBI), Applied Embryology and Stem Cell Biology Group	Biosciences: reviewer of the EASAC Report on Meat Alternatives (2025 March-April)
Boda, Pál	HUN-REN Centre for Ecological Research	Environment: Water Scarcity Working Group (June 2026-)
Nagy, Attila	University of Debrecen	Environment: Water Scarcity Working Group (June 2026-)

*Research Centres belonged to MTA before 2019.
